

“Making the Shifts”- Sandra Alberti

I. **Reading Purpose:**

To identify and be able to explain the “key shifts” that will affect both students and teachers with the implementation of the Common Core State Standards.

II. **“Marking the Text” Directions:**

Underline the shifts in ELA/Literacy students will face with implementation of the Common Core State Standards.

Double underline the shifts in Mathematics students will face with implementation of the Common Core State Standards.

III. **Important bullets my team will share with others about this article:** (Teams should agree on the bullets they will share out and therefore should have the same points written down.)

ELA/Literacy shifts with explanation/details:
