

Quarterly Data Protocol

For PLC Binder

Please turn in to Assistant Principals by _____

PLC Subject: _____

Teacher Name: _____

A. PLC Performance Level

PERFORMANCE LEVEL	All Students %	English Learners %	Students with Disabilities %
ADVANCED			
PROFICIENT			
BASIC			
BELOW BASIC			
FAR BELOW BASIC			
Total Number of Students:			
Comments:			

B. Overall Averages

Overall Average: PLC _____%	Overall Average: My Classes Period _____ : _____ % Period _____ : _____ % Period _____ : _____ % Period _____ : _____ % Period _____ : _____ %	Comments:
---	---	------------------

C. Standard / Cluster Averages

PLC STRENGTHS	PLC AREAS OF GROWTH
Identify 3 standards / clusters with averages above 70%	Identify 3 standards with averages below 70%
Standard _____ : _____ %	Standard _____ : _____ %
Standard _____ : _____ %	Standard _____ : _____ %
Standard _____ : _____ %	Standard _____ : _____ %

How do my class Standard / Cluster averages compare to the PLC averages?

D. PLC / MY Action Plan

What and When	How and When
What interventions will my PLC and I provide to All students including SWDs and ELs to address the standard/cluster areas of growth? <i>Example: I will re-teach standard 1.2 to students who were not proficient using a common mini- lesson during ELP 6 October 12th.</i>	How will my PLC and I re-assess students for mastery on these standards / clusters? <i>Example: I will reassess students for mastery of standard 1.2 with an "exit slip" during ELP on October 12th.</i>

E. Quarterly Targeted Instructional Plan

Review the "2012 Fall Quarterly Instructional Plan" your PLC developed on August 7th.

1. What parts of the plan were you and your PLC able to fully implement? What was not implemented?
2. What challenges did you and your PLC have in implementing the plan?
3. Does the Fall Quarterly Data demonstrate the plan was a success? Why or Why not?
